The papers relating to the Budget lately passed are put up.

A Statement showing the charges sanctioned since 1st July 1895 is prepared and ~~put up~~ submitted.

As would appear from the statement, a large amount of Rs 4250 has already been sanctioned from the Gl. Savings of the budget, & the following items require to be passed as a Supplemental ~~Budget~~ grant for 1895-96

It is not likely that general savings in the Education Budget would amount to such a large figure as Rs 4250

(1) 4,500 for purchasing Stereo Types.

(2) 2,883 for furniture for the Maharaja's college.

(3) 1140 for arrears as well as for current years grant-in-aid to Khaja Nazar Hussain's Girls' School

(4) 223/13/4 for purchasing printing materials for the Central College.

Total, 8 746-13. 4

Submitted for orders.

Mgr. 12/12/95 A provision of Rs 7000 has been made in the Budget for new buildings which have to be sanctioned hereafter. Even the appropriation of the whole amount (7000) towards the above items, does not cover fully their cost. Supplemental grant therefore is absolutely necessary

Memorandum

On the 15th Sept. a petition was received from Khaji Rahim Ansari, complaining that (1) the payment of the arrears of his grant in aid, ordered by the Govt. has not been made by the Inspectress of Schs., and that (2) the D.C. of Bangalore has not issued to him the necessary license for teaching a school-house in Jáli Hoskalle.

2. The Inspectress of Schs. has submitted a report No 4091/160 of 9 Sept., requesting that an order of Govt. on the subject of payment of arrears may be revised as from his enquiries he has discovered that the statement of the Khaji that he had opened the school in the Jáli Hoskalle was not true. He has secured a mass of evidence collected by the Asst Dy Insp. at the instance of Dr. Bhabha, and further papers vide D. No 4181 of 15-1-96

3 The order of Govt. regarding the payment of arrears was final and was passed after full consn of all the circs of the case. Aug 5 the evidence of the Hoskote Police Insp, the schoolmaster opened in his house for some months in 1893 also the time alleged by the Khaji, and the other witnesses also testified to the same fact, whilst neither witness proved that the schoolhouse was in existence at the quarter alleged. Mr

× No 2355-8/5D46 of 13-8-95

M. Bhabha stated that, Rai Bahadur Srinivasachárlu

had only spoken to what he had heard from the Khanji. The statement of the Khanji being on record, I therefore requested him to write down what he knew about the matter and he has done so on the receipt of Mr. Blackett's letter, para 2 The truth of Mr. Srinivasa Achariar's statement goes to strengthen the Khanji's statement that the school was in existence at the time mentioned, which was before any question arose on the subject.

It is clear from the papers that there are teachers among the Mussalmans at Bangalore, and that there is no difficulty in getting evidence hostile to the Khanji. The proceedings held by the Mussalmans Board regarding the site given to the Khanji for a school amply show this circumstance.

6 Under these circs, I submit that no sufficient grounds have been shown to alter the orders on the subject already issued by the Govt.

7 As regards the license for constructing the school house, the matter was referred to the Bd for reconsideration, as it had reached the site. Vide order No 22585-6 dt 11.6.95.- A 2 T 115/94 remarks may be made to the Resident with a view to the matter being duly disposed of.

16.1.96

To the 1st Comr

In para 2 Mr Blackett says that according to Mr Hayes' own books, the expenditure from April 1893 to June 1895 was less than Rs 30 a month. The Khanji will please ask the Khanji Munshi for a copy of books and ascertain the sums actually expended.

16/1/96

The Khanji books kept in Hindustani were scrutinized, & examined in detail by Mr. Dist Comr Shamrao. The latter's memo with statements attached, showing the recorded monthly receipts & expenditure of the school. There does not appear to be any sufficient reason to doubt the accuracy of the entries & papers

2 It may be remarked that no condition appears to be attached to the Govt-in-aid being the Khanji to spend all the grant. The relevancy of the allusion in the D.S.'s letter to the expenditure being less than the Govt grant is not quite apparent. In other similar institutions, the managers or founders receive no remuneration for teaching &c. as a large slice of the grant.

Receipts

The total receipts for 26 months from May '93 to June '95 was Rs 219-4-2 and the total expenditure was Rs 604. The figures relating to the month of April '93 are not forthcoming and the Khaja says that the accounts relating to the months previous to May '93 are with Mr Bhabha. He says that in April '93 he received nothing in the shape of receipts.

The receipts consist of a regular monthly subscription of Rs 5- from Muhammad Syed Sheriff, Vaccination Inspector of Tumkur and of smaller subscriptions from various people ranging from one anna to four annas. The signatures of the people paying the smaller subscriptions with the amount paid are found in the Khaja's Account-Book.

Expenditure.

The monthly establishment

Mr. A. Khaje up to the end of Dec 1893 consisted of a Head Mistress on Rs 5, a second Mistress on Rs 3/8, a Maid-Servant on Rs 2/8, Contingency Rs 1/8, Cart-hire Rs 9, Total Rs 21/8, From January 1894, the expenditure was increased to Rs 24, the Head Mistress being given an increase of 8 annas, the second Mistress an increase of one rupee and cart-hire being raised by one rupee. The expenditure for the month of April 1893 was Rs 21-8-0 according to the Khaje's Statement. He also says that as the two Mistresses complained of the small pay given to them, a promise was made that if the Govt grant was revised, they would be given half their salary over what they had been paid. According to this promise a sum of Rs 124 will be due to the two Mistresses, from May 1893 to June 1895 — when the Govt grant is received. The Khaje also says that from May 1895 he has spent about

Rs 200 in ~~fitting up the hospital~~ ~~rounds and~~ repairing the building on the Ist ground in Jalee Mohala. From this book it is found that the actual amount spent was Rs 201-2-9. The total amount thus actually spent is, from May '93 to June '95 for the establishment Rs 604, for repairing building from May '95 Rs 201-2-9 Total Rs 805-2-9. To this amount, if the amount spent in April '93 ~~etc~~ (Rs 21-8-0) and the amount promised but given to the two mistresses (Rs 124) are added, the total expenditure from April '93 to June '95 comes to Rs 950-10-9. Against this amount has ~~to~~ be set off an income of Rs 219-4-2. The Khaji however says that over he has spent Rs 583-10-11 in all over the building in Jalee Mohala from the very beginning. The total net expenditure ~~before~~ thus comes to Rs ~~1113-14-9~~ 1113-14-9 even the annexed statement gives the details of the receipts and the expenditure.

Honored Sir

With reference to your verbal orders in regard the appointment of fresh members on the committee of Management for my school I beg to submit the following for your favorable consideration

The committee that has been appointed by me & submitted for the approval of Govt consists of nine influential members some of whom are the respectable residents of the locality in which the School is held There appears no tangible reason to disapprove the committee so found, If I leave the members already elected & select others in their places I would be found guilty of disrespecting & dishonoring them as some of the members who accepted

the office had to be keeped for before they were so accepted. With a view e r therefore to solve the difficulty I would respectfully beg that you will be pleased to sanction the nomination of the Committee and add to it the newly selected members. This will thus form a strong Committee and while the members selected by the Govt would be nominated as well as those selected already by me. The insistence which being practised in my individual case goes to prove that the authorities seem to cherish, I beg your pardon to state, a bias against me personally with a view to force my severance from the school. I beg to submit that the school having been started by my ancestors from the time of Tippu Sultan & continues so long, it is the legacy which has been come to me from my ancestors to maintain the school at any cost. I must

sincerely thank the Govt of H. SIR,

With reference to the concluding portion of Order No 2355-8/88 46 dated 13th August 1895, I have the honour to enclose herewith letter No 198 dated 29th August 1895 from the Deputy Inspector of Schools Bangalore with its enclosure in which he says that the Madersa-i-Muffidul Niswan was removed to Jalee Mohalla from the 15th June 1895. It was suggested to Kazi Nazar Hussein in the Education Secretary's letter No 6556/375 dated 4th April 1895 that before Government could favourably consider his application for the renewal of the grant-in-aid, he should remove the school to Jalee Mohalla. It was in conformity with this suggestion that the school was removed to Jalee Mohalla from the 15th June 1895.

2. The Deputy Inspector of Schools in Bangalore

was to suggest that the same school or rather a branch of it as the enclosure to his letter states was located in Jalee Mohalla in the house of one of the school mistresses from about the 30th April 1893 to September 1894. This is the first time that Kazi Nazir Hussein alleges in the course of a long and harassing correspondence that the school or a branch of it was located at any time in Jalee Mohalla before the 15th June 1895. Why this circumstance was not mentioned before it is difficult to understand. At any rate there was no inspection of the school in Jalee Mohalla from April 1893 to September 1894 and the department has no knowledge whatever of the state or strength of the school during that period. I am unable under these circumstances to recommend a grant being given for any period prior to June 1895.

3. The grant from the 15th to the 30th June 1895 as well as the grant for the current year will be provided in the supplemental budget which is under

Sir.

With reference to your docket no 1321/86 of the 19th instant, I beg to submit the following report.

I made a careful enquiry to ascertain the date on which Kazi Nazar Hussein removed his Hussaini Girls' School to Jali Mohalla and the result is as follows.

On the 30th April 1893 the members of the managing Committee of the Kazi Nazar Hussaini's School seem to have met and passed a resolution to the effect that the School should be re-

re moved to and held in the house
of the 1st Mistress of the school in
the Jali Mohalla. It is stated that
the resolution was accordingly
Carried out. The school is said
to have remained in the Jali
Mohalla up to September 1894,
when it was brought back
to Sultanpeta, as no rent was
paid for the use of the building
in the Jali Mohalla, and as no
other building was available
in that Mohalla free of rent.
On the 15th June last the school
was finally removed to the
Jali Mohalla where it is now
Conducted in the stone man-
-tapam standing in a corner
of the site granted by the Muni-
cipality to the school.

that the statement made to me

From

~~*Secretary to the Govt. of Mysore,*~~
INSPECTOR GENERAL OF EDUCATION IN MYSORE.
~~*Education Department.*~~

To

The General Secretary
to the Government of Mysore.

Sir,

With reference to Order No 6099-100 Edl 158 dated 18th November 1895, I have the honour to inform you that in conformity with that order the enclosed bill was sent for audit to the Comptroller who has passed it. Before however it could be sent to Kazi Nazir Hussein I had reasons to believe that the Girls' School was not held in Jalee Moholla from April 1893 to 15 June 1895. I think it my duty therefore to state the following facts and to request Government will be pleased to reconsider above order.

2. The grant to Kazi Nazir Hussen's Sch was stopped from 1st April 1893 for the reasons in Order C No 198-212 dated 12th April 189 the 4th April 1895 the Education Secretary letter No 6556/375 informed the Kazi by Order of -ment that if he removed his private s to Jalee Moholla Government would fur

consider his application for a grant. He replied in his letter of the 11th April 1895 as follows: — — "I do consent to transfer the same to Jalee Moholla soon after the school building on the vacant piece of land granted to me by the Municipality be ready." The school was accordingly removed to Jalee Moholla on the 15th June 1895. While reporting the fact of this removal the Deputy Inspector also reported a statement of the Kazi that a branch of the Kazi's school was located in Jalee Moholla in the house of one of the school mistresses from about the 30th April 1893 to September 1894, and he said that the Kazi's statement was confirm by Rai Bahadur A. Srinivasa Charlu. On my asking Mr. Srinivasa Charlu if he had persona knowledge of the existence of the school in Jalee Moholla he said he merely repeated to the Deputy Inspector a statement made to him by the Kazi that the school was for some time held in Jalee Moholla. It will be seen that beyond a mere statement of the Kaz there was no evidence that the school was held in Jalee Moholla. I asked the Deputy Inspector of Schools of the Bangalore District accordingly to investigate once more what truth there was in the Kazi's statement that the School was held in Jalee Moholla from the 30th April 1893 to September 1894 He writes in his D.O. letter of 18th December 1894 as follows: — "It is not possible to find any respectable person in whom reliance can

I (Kaz) to Personal Assistant to the Collector of Kolar Moholla
Ref. — Kazi's letter dated 5th June 1895 requesting removal of the School to Jalee Moholla
In the letter of 8th July 1895 I allowed removal — Now I am giving an Independent Report
The Statement of Kazi has been brought to my notice — I am enclosing herewith a Statement (P 76)
in my hands to establish that the School has been kept up since

can be placed to speak to the truth of the Khazi's statement × × × From the books kept by the manager it appears that from May to December 1893 the expenditure of the school was limited to Rs 21—8—. a month and from January 1894 to June 1895 to Rs 24—— since June the expenditure has been increased to Rs 34—8—. × × × No housrent has been paid. The monthly disbursements have not been attested by the signatures of the receipients of salaries and cart hire." It will be noticed that the Kazi's own accounts show that he spent much less than Rs30 a month on the school from May 1893 to June 1895. His statements accounts and registers have however been proved to be unreliable so often that I am constrained to attach no value to them.

3. As the Deputy Inspectors report did not satisfactorily settle the question, I had to request him to instruct the Assistant Deputy Inspector of Hindustani schools to investigate and report on the fact of the existence of the school in galee Moholla. His report I enclose herewith. The owner of the house one Syed Burhanodin Sahib Police Inspector of Hoshote in whose house

the

the school is alleged to have been held says that it was held in his house, "for a few months two and a half years ago", that is, about June 1893. Mr. Mahomed Ghouse Sahib a pleader who lives next door to the house of Inspector Syed Burah-- nodin says that the school was held in that house "about two years ago" From Municipal Commissioner Hafizullakhan's report dated 24th September 1894 it is clear that on that date the school consisted of about eight girls and was held in the Kazi's own house in Sultanpete and not in Jalee Moholla.

4. Under these circumstances I await further instructions from Govern-- ment for the payment of the grant.

I have the honour to be,

Sir,

Your most obedient Servant
